

"Frosty" - Big Bad Voodoo Daddy

Frosty the snowman
was jolly happy soul
with a corn cob pipe
and a button nose
and two eyes
made out of coal

Frosty the snowman
is a fairy tale they say

He was made of snow
but the children know
how he came to life
one day

There must have been
some magic in
that old silk hat they found

For when they placed it
on his head
he began to dance around

Oh Frosty the snowman
was alive as he could be
And the children say
he could laugh and play
just the same as you and me

Oh thumpety thump
thumpety thump
look at Frosty go

Thump thump
a thumpety thump
over the hills of snow

Here we go!

(instrumental)

Frosty the snowman
Knew the sun was hot that day
So he said let's run
we'll have some fun
now before I
melt away

Down to the village
with a broomstick
in his hand

Running here and there
all around that square
saying catch me if
you can

He led them down
the streets of town
right to that
traffic cop

And only paused
a moment
when he heard him
holler stop

Frosty the snowman
had to hurry
on his way

But he waved goodbye
saying don't you cry
I'll be back
again some day

Yes he waved goodbye
saying don't you cry
I'll be back
again some..

Thumpety thump
thumpety thump
look at Frosty go

Thump thump
a thumpety thump
over the hills of snow

Thump thump
a thumpety thump
over the hills of snow

Hooray!
